Download online boek Nederlands 2018 Boeing 777 Study Guide Rick Townsend , This Boeing 777 Study Guide, 2018 Edition, is a compilation of notes taken primarily from flight manuals, but also includes elements taken from class notes, computer-based training, and operational experience. It is intended for use by initial qualification crewmembers, and also for systems review prior to recurrent training or check rides.

The book is written in a way that organizes in one location all the buzz words, acronyms, and numbers the average pilot needs to know in order to get through the events above from an aircraft systems standpoint. The guide covers 777-200 and 777-300 series airplanes.
