Download online boek Nederlands 90 Degrees Andrew Kim , Welcome to Ninety Degrees, the first interactive book on the topic of knolling. As a matter of fact, it's the first time anyone has made a book on the topic. Ever since the launch of the iPad in 2010, I have been fascinated by the publishing potential of the device. Things got even more interesting when Apple released iBooks Author and it's what drove me to create this experiment. This book, or more accurately, "experience", will give you a look into the beauty and functionality of knolling. It is a visual compositional tool that can be used by graphic designers, photographers, cinematographers and others for a distinct and timeless aesthetic. Knolling can also be used as a mapping tool that brings order to the complex world we live in, making it a method of visual organizational for anyone.

Enjoy the book and always be knolling.
