Cassie Beresford has recently landed her dream job as deputy head at her local, idyllic village primary school, Little Acorns. So, the last thing she needs is her husband of twenty years being 'outed' at a village charity auction - he has been having an affair with one of her closest friends.

As if that weren't enough to cope with, Cassie suddenly finds herself catapulted into the head teacher position, and at the forefront of a fight to ward off developers determined to concrete over the beautiful landscape.

But through it all, the irresistible joy of her pupils, the reality of keeping her teenage children on the straight and narrow, her irrepressible family and friends, and the possibility of new love, mean what could have been the worst year ever, actually

might be the best yet...

Julie Houston's novels are funny, wonderfully warm and completely addictive. Perfect for all fans of Gervaise Phinn, Katie Fforde and Jill Mansell.
