I'm the guy you love to hate.

In every story in my life, I seem to end up playing the villain—and I've got the scars to prove it.

That role works fine for me, because I'm sure as hell not anyone's hero.

I run my life and my empire with an iron fist—until she knocks my tightly controlled world off its axis.

She's nobody's damsel in distress, but I can't help but want to save her anyway.

I guess we're about to find out if there's a hero buried beneath these scars.
