Download online boek Nederlands Dark Embrace Elle Boon , A DARK LEGACY where only the strong survive and those who are Goddess touched can complete the warriors who fight to protect the world from the creatures that go bump in the night.

DARK EMBRACE

Jennaveve, the Fey chosen by the Goddess to be the queen of her people for the past few millennium, is tired and wishes for a break, but hadn't counted on being reduced to almost mortal thanks to a dark stranger. They say you should be careful what you wish for. The last time she'd taken a break, her Fey had left their realm, resulting in shifters on Earth known as the Mystic and Iron Wolves and even more she was still searching for.

Time and patience was something Damien and Lucas had in spades, until the female they'd already laid claim to, even if she hadn't accepted them yet, was taken by an enemy. Saving Jenna became their one and only focus. As time and realms slip between them, their fear for her had them forgetting about patience and made claiming Jenna as their Hearts Love, hoping she accepted their Dark Embrace.

Will Damien and Lucas be able to rescue Jenna from the evil who has taken her? Will Jenna get her powers back? Who is the dark presence and how will they defeat a being who is strong enough to bring the Fey Queen down to her knees?
