Instead of worrying about what to eat and how it's going to affect our bodies, we should embrace food freedom—freedom to create flavorful meals, but in a more calorie-conscious way; freedom to indulge occasionally while being mindful of portions; and freedom to achieve wellness goals without breaking the bank.

In *Fit Men Cook*, Kevin Curry, fitness expert and social media sensation with millions of followers and hundreds of thousands of downloads on his app, shares everything you need to live a healthy life each day—from grocery lists to common dieting pitfalls to his ten commandments of meal prep—as well as his personal story of overcoming depression and weight gain to start a successful business and fitness movement.
