***Sapiens* shows us where we came from. *Homo Deus* shows us where we're going.**

Yuval Noah Harari envisions a near future in which we face a new set of challenges. *Homo Deus* explores the projects, dreams and nightmares that will shape the twenty-first century and beyond - from overcoming death to creating artificial life.

It asks the fundamental questions: how can we protect this fragile world from our own destructive power? And what does our future hold?

'*Homo Deus* will shock you. It will entertain you. It will make you think in ways you had not thought before'
