**Download online boek Nederlands How to Speak Money John Lanchester** , Money is our global language. Yet so few of us can speak it. The language of the economic elite can be complex, jargon-filled and completely baffling. Above all, the language of money is the language of power - power in the hands of the same economic elite.

Now John Lanchester, bestselling author of *Capital* and *Whoops!* sets out to decode the world of finance for all of us, explaining everything from high-frequency trading and the World Bank to the difference between bullshit and nonsense.

As funny as it is devastating, *How To Speak Money* is a primer and a polemic. It's a reference book you'll find yourself reading in one sitting. And it gives you everything you need to demystify the world of high finance - the world that dominates how we all live now.
