

Download Online Boek Nederlands Masques Of Darkover - Deborah J. Ross

Download online boek Nederlands Masques of Darkover Deborah J. Ross , Orbiting a distant red sun, the planet Darkover was settled long ago by human colonists and then cut off from the rest of civilization. Over millennia of isolation, it gave rise to a rich culture ruled by a telepathic aristocracy, but was also home to nonhuman races, both hostile and friendly. As kingdoms rose and fell, the enhanced psychic gifts called laran, channeled through starstone gems, transformed not only individual lives, but the entire world.

In the spirit of a masqued revel, here is a gala presentation of tales set in Marion Zimmer Bradley's beloved world of the Bloody Sun. Some of these stories are humorous, others dark, some gritty, and others whimsical or romantic, but all reflect the richness and breadth of adventures to be found on Darkover.

This volume includes stories by Robin Wayne Bailey, Jane M. H. Bigelow, Evey Brett, Leslie Roy Carter and Margaret L.

Carter, India Edghill, Rosemary Edghill, Rebecca Fox, Steven Harper, Shariann Lewitt, Meg Mac Donald, Ty Nolan, and Marella Sands.
