Download online boek Nederlands metabolic balance® - Nutrition basics Dr. med. Wolf Funfack , metabolic balance®

metabolic balance® has proven to be one of the most successful nutritional and diet programs in recent years. A recent independent scientific study confirms that metabolic balance® not only leads to effective long-term weight loss, but also improves general blood count and overall health. The program is based on a nutritional plan that is devised for each individual according to his blood count and other personal data. This compact guide is a comprehensible, easy-to-understand introduction to the metabolic balance® program. The book explains complex issues in detail and offers concrete, practical instructions on how to use the metabolic balance® program.
