Sheltered Lucia is determined to find a new life and love. No wonder she falls for the first guy to flash her a wolfish smile her first day in the big city. After rescuing the charming shifter from certain death, she's sure he feels the same way about her, and will tell her so — just as soon as he wakes up from his coma. To stay by her instalove's side in the hospital, Lucia pretends she's his bonded mate. This twist of the truth takes a turn when she meets her fake fiancé's sexy older brother and wonders if she was a bit too hasty in declaring love-at-first-sight the first time.

For months, Jackson has sensed that his fated mate was near. When he enters his brother's hospital room, he instantly pounces on the beautiful, curvaceous woman there. He's ready to mark her as his own until he discovers his brother may have gotten there first. The more Jackson gets to know Lucia, the more his doubts about the engagement grow. She has nothing in common with his wayward, lone wolf brother. But she sure does check every one of Jackson's boxes.

Lucia longs to explore her feelings for Jackson, but how can she turn her back on the comatose wolf she lied about being engaged to? Jackson's fighting a losing battle with his wolf to claim the woman who should be his. When he finds proof that Lucia isn't who she claims to be, can he still trust her with his heart?
