'Hilarious ... a must-read'
THE SUN

From Mother Pukka *and* Papa Pukka, the minds behind highly popular parenting blog MotherPukka.co.uk, comes *Parenting the Sh*t Out of Life*, the *Sunday Times* bestselling account of parenting told from *both* perspectives and a handy guide (kind of) on how to raise a small human. It's the must-read for all parents and

parents-to-be - and possibly the best (or worst) baby shower gift you could ever give a prospective mum or dad ...

MOTHER PUKKA AND PAPA PUKKA at last offer you this: a book that will not help you grow or raise a human successfully, but a book that might, if you're not too emotionally battered - and can see past the permanent eye twitch - help you laugh a little more than you cry.

This is one couple's take on the horrors and humour of modern parenting told from his side and hers: honest, sad and laugh-out-loud funny. It will speak to anyone with a child or children of their own - or to those hoping to take that monumental step. It may not be easy and you might have no idea what you are doing but, as the Pukkas demonstrate, with a bit of teeth-gnashing, tongue-chewing and joke-cracking, you too will be parenting the sh*t out of life.

'Snort-tea-through-nose funny'
CHERRY HEALEY, author of *Letters to my Fanny*
