Download online boek Nederlands Rise Piper Lawson , I'm Riley McKay. The perfect boyfriend.

Why? I'm rich, good looking, and can climb a mountain with my bare hands. I remember birthdays and anniversaries. And I'm a seriously decent guy.

Your mom will love me. Your dad will respect me (in that grudging way dads do when they know you're screwing their daughter).

And when it ends, which—let's be honest—it always does...

I'm nice then too.

There's nothing missing from my rinse-and-repeat life. Definitely not the girl who walked away ten years ago without a word.

The one who drops back into my life like a fireball when I least expect it.

The only woman I couldn't do 'nice' with.

They say you can't rise without the fall.

With her, I've already fallen. And no matter how sexy she is, how beautiful, or confident or edgy... I won't fall for Sam again.

Because falling is easy. It's getting up that's a b*tch.

Riley and Samantha's story is a sexy second-chances romance that will give you all the feels.

RISE is book three in the hit series about a quirky group of young gaming and finance professionals in Boston. To read in order: PLAY, NSFW, RISE.
