**Download online boek Nederlands The Highly Sensitive Child Elaine N. Aron** , 15-20% of children are Highly Sensitive - and they are often labelled shy, introverted, fussy or faddy. The real story is very different though and this intelligent, practical book helps parents know what to do, when to back off, and how to ensure their child is given the right sort of treatment at school.

This book is the follow up to the author's internationally best-selling personal development guide The Highly Sensitive Person.

It is the first and only book for parents of highly sensitive children.

It provides parents with insights and information so they can understand High Sensitivity, and help their highly sensitive child thrive in the world.

It is important for these children to be understood so they can be helped to avoid the common traps of shyness and withdrawal that many highly sensitive fall into as they develop.

Contains questionnaire for parents to find out if their child has the traits common in highly sensitive children.

Discusses HSC's at different ages - infant, toddler, school-age and adolescent....

## Reviews

"To have an exceptional child you must be willing to have an exceptional child. You have one. And this book will teach you how to raise him to be not only exceptional, but healthy, loving, well-adjusted, and happy." Elaine N. Aron, Ph.D.

Praise for The Highly Sensitive Person:

'This remarkable book speaks clearly to highly sensitive people. It gives a fresh perspective, a sigh of relief, and a good sense of where we belong in society.' JOHN GRAY, author of Men are from Mars, Women are from Venus
