

Download Online Boek Nederlands The Missing Link - Arie Kuit

Download online boek Nederlands The Missing Link Arie Kuit , The Missing Link Alto & Baritone Saxophone About The Missing Link, as a saxophone teacher I noticed that most of my students could already play fine improvisations on a song in just one key. Normally they would use one single Pentatonic scale or a Blues scale.

However, being able to play over the changes proved to be something quite different. And much more difficult, as you need to know all the chords and their corresponding scales... . I noticed that my students were able to play and remember the pentatonic scales much quicker, so I thought to integrate these with chords. Hence the birth of "The Missing Link".

In this book you will learn how to combine chords and Pentatonic scales in an easy way. Also you will learn how to give a chord a different "sound color" by using an alternative Pentatonic scale.

Play, study and - most importantly - have FUN with it!
