**Download online boek Nederlands The Singularity is Near Ray Kurzweil** , Ray Kurzweil foresees the dawning of a new civilisation where we will be able to transcend our biological limitations and amplify our creativity, combining our biological skills with the vastly greater capacity, speed and knowledge-sharing abilities of our creations. In practical terms, human ageing and illness will be reversed; pollution will be stopped and world hunger and poverty will be solved. There will be no clear distinction between human and machine, real reality and virtual reality. *The Singularity is Near* offers a view of the coming age that is both a dramatic culmination of centuries of technological ingenuity and a genuinely inspiring vision of our ultimate destiny.
