Download online boek Nederlands The Toddler Brain Laura A. Jana, MD , What if, despite the best of intentions, we are raising our children to succeed in a world that no longer exists? *The Toddler Brain* helps parents recognize the connection that exists between their own parenting behaviors and their child's ability to acquire valuable twenty-first-century skills. Dr. Laura A. Jana draws on studies and stories from pediatrics, neuroscience, social science, and childcare, as well as the world of business and innovation to show parents how to equip their children with seven key skills. Dr. Jana explores the importance of play and curiosity, imagination and empathy, and strategically strengthening children's neural connections in their first five years.
