**Download online boek Nederlands Wellbeing in the Primary Classroom Adrian Bethune** , Evidence has shown that happy people (those who experience more positive emotions) perform better in school, enjoy healthier relationships, are generally more successful and even live longer! It is an ever-growing concern, therefore, that children's levels of happiness and wellbeing are decreasing, while their levels of stress, anxiety and depression are increasing. As a result, many schools and teachers are looking for accessible ways to address these mental health problems in young people.

In this practical and thoughtful book, experienced teacher and advisor on children's wellbeing, Adrian Bethune, takes the latest evidence and research from the science of happiness and positive psychology and brings them to life. *Wellbeing in the Primary Classroom* is packed full of tried-and-tested activities and techniques and has a foreword by Sir Anthony Seldon, former Master of Wellington College, well known for introducing and advocating happiness and wellbeing in

education. It is an essential guide to supporting emotional and mental wellbeing in the primary classroom.
